

# EXAMPLE PDF VERSION OF THE ONLINE REGISTRATION OF INTEREST FORM

REGISTRATION OF INTEREST

SMEP Registration No: [REDACTED]

## Procurement Interest Areas

- Interest Area**
- Specialist services to the SMEP PMA
  - Procurement call for grant funding
  - Other
- Pollution Sector**
- Textiles
  - Tanneries
  - Plastics
  - Technological Innovation
  - Used Lead Acid Batteries
  - Other
  - Comments / additional information
- Pollution Sector Comments**
- Grant Funding Call**
- Scaling Pollution mitigation technologies in East Africa
  - Tanneries sector
  - Textiles sector
  - Used Lead Acid Battery Manufacturing
  - Comments / additional information

Grant Funding Call Comments

## 1. Respondent Details

<b>Salutation</b>	Ms	<b>Last Name</b>	Form
<b>First Name</b>	Registration	<b>Phone</b>	
<b>Email address</b>	procurement@smepprogramme.org	<b>Linked In Profile</b>	
<b>Capacity</b>	Organisation	<b>Organisation Type</b>	Non-profit / NGO
<b>Name of Organisation</b>	PDF version	<b>Alternative Phone</b>	
<b>Organisation Phone</b>		<b>Email address</b>	
<b>Second contact (if applicable)</b>			
<b>First Name</b>		<b>Last Name</b>	
		<b>Email address</b>	

On behalf of an organisation  
in my individual capacity

Academic Institution / University  
Non-profit / NGO  
Government  
Research Institution  
Private sector - consulting  
Sector association / industry association  
Incubator / small business accelerator  
Media / information brokerage  
Other

<b>Website</b>		<b>Location Country</b>	South Africa
<b>Professional Capacity</b>	Director		
<b>Professional Affiliations</b>	Yes		

## 2. Technical Expertise

SMEP addresses several fields for interrogation and intervention (available [here](#)).

**Strong practical expertise**

- Sustainability and circular economy
- Manufacturing and process engineering
- Environmental management
- Pollution management
- Health (effects, control etc.)
- Plastics
- Technology uptake into business
- Policy (e.g. regulatory reform, creating new policies)
- Stakeholder engagement / Facilitation and Fostering collaboration
- Industry-focused accelerator / incubator / innovation hub

**SMEP Outputs contribution**

- Output 1: Improved knowledge and understanding
- Output 2: Identification and development of policy and regulatory models
- Output 3: Development of technology-based solutions
- Output 4: Establishment of new symbiotic production processes
- Output 5: Co-design/develop toolkits

**SMEP Intervention focus area**

- Primary research
- Facilitation
- Design and engineering of technological solutions
- Manufacture of pollution control solutions
- Business case development
- Policy and policy briefs: facilitation and development
- Finance and value chain leverage

### Sustainability and circular economy

Countries & sectors where/in which your organisation has worked:

**Industrial symbiosis**

Ethiopia

**Circular Economy**

Kenya

**Waste management**

Rwanda

**Application of supply chain standards and / or certification**

Uganda

Other

### Manufacturing and Process Engineering

Countries & sectors where/in which your organisation has worked:

**Manufacturing systems – engineering and implementation**

Bangladesh

**Manufacturing systems – engineering and implementation**

Pakistan

**Process engineering**

Nepal

**Systems design and engineering**

Senegal

Other

### Environmental management

Countries & sectors where/in which your organisation has worked:

**Environmental remediation**

Nigeria

**Environmental assessment**

DRC

**Environmental standards (including monitoring and enforcement)**

Bangladesh

Environmental engineering

Tanzania

Environmental impact assessment

Ghana

Environmental risk management

Zambia

Other

---

**Pollution management**

Countries & sectors where/in which your organisation has worked:

**Air pollution control technologies**

Tanzania

**Water pollution control technologies**

Zambia

**Water remediation technologies**

Kenya

**Soil remediation technologies**

Senegal

Other

---

**Health (effects, control etc)**

Countries & sectors where/in which your organisation has worked:

**Health impacts of pollution**

Nigeria

**Public health issues related to pollution**

DRC

**Occupational health issues related to pollution**

Ethiopia

Other

---

**Plastics**

Countries & sectors where/in which your organisation has worked:

**Solutions for plastics – redesign and innovation**

Senegal

**Solutions for plastics – reduction, reuse, and recycling**

Bangladesh

Other

---

**Technology uptake into business**

Countries & sectors where/in which your organisation has worked:

**Appropriate technology for small business**

Nigeria

**Business models for pollution control uptake within value chains / supply chains**

Rwanda

**Technology transfer / business model replication**

Pakistan

**Scaling of technology uptake**

Nepal

Other

---

**Policy**

Countries & sectors where/in which your organisation has worked:

**Fiscal incentives for pollution control**

Zambia

**Environmental/manufacturing/ health legislation, regulation**

DRC

**Environmental policy**

Ethiopia

**Health policy**

Ghana

Other

---

**Stakeholder engagement, Facilitation and Fostering collaboration**

Countries & sectors where/in which your organisation has worked:

**Stakeholder consultation**

Kenya

**Conflict resolution**

Nigeria

**Facilitating collaborative processes with diverse stakeholder groups**

Rwanda

Other

---

**Industry-focused accelerator/incubator/innovation hub**

Countries & sectors where/in which your organisation has worked:

**Focus on scaling existing company (accelerator)**

Rwanda

**Focus supporting green economy solution providers**

Nepal  
**Focus on launching new technologies (innovation hub)**  
 Tanzania  
**Supporting product-market fit**  
 Bangladesh  
**Access to finance**  
 Nepal  
**Access to market**  
 Ethiopia  
 Other

### 3. Locality

Countries worked in in the last 5 years

- Bangladesh
- Democratic Republic of Congo
- Ethiopia
- Ghana
- Kenya
- Nepal
- Nigeria
- Pakistan
- Rwanda
- Senegal
- Uganda
- United Republic of Tanzania
- Zambia
- Other

No experience in SMEP target countries? (tick if this is the case)

Additional countries where you have experience in Sub-Saharan Africa or South Asia

Reference

Best placed to support SMEP delivery

- Bangladesh
- Democratic Republic of Congo
- Ethiopia
- Ghana
- Kenya
- Nepal
- Nigeria
- Pakistan
- Rwanda
- Senegal
- Uganda
- United Republic of Tanzania
- Zambia

Partners or associates in the SMEP regions of interest in sub-Saharan Africa or South Asia

Our organisation has offices and/or partners and associates in the SMEP regions of interest in sub-Saharan Africa or South Asia  Y

Details of partners and country offices

Reference

COVID 19 measures

Reference

Additional info re expertise into sustainable production and pollution mitigation

Reference

### 4. Additional Info

FCDO (formerly DFID) in the last 3 years

Yes

FundedProjectsFCDO/DFID project completed or initiated within the past 3 years.

Reference

Was your organisation the lead in any of these projects?

Yes

Total value of FCDO (previously DFID) grant funding received in last 3 years (GBP)

GBP0000000

Relevant tax clearance certificates for each of the past 3 years

Y

Average annual turnover for the past three years.

> GBP 1m

Actual or potential conflict of interest with the SMEP Programme?

Yes
